## PRODUCTS

We offer a wide range of essential food ingredients, including Dehydrated Vegetables, Spray Dried Vegetable and Fruit Powders, and Herbs. All items can be supplied with standard or customized specifications tailored specifically to our customers' requirements.

## PACKAGING

Standard packaging for Flakes is in 14kg, 20kg, or 25kg polybags depending on the item, while Powders are packed in 25kg polybags covered with protective HDPE bags. We also provide customized packaging options to match specific consumer and commercial preferences.

## QUALITY ASSURANCE

Offering both A-Grade and Commercial Grade options, we source our products from the industry's most reputable and certified resources. Our selective curation process ensures that we consistently deliver the finest quality ingredients to our global partners.
